#### **Community Development Update:**

Kevin said that the walking trails on the McClennen Jr. field would be open this fall but that the play fields will not open until 2005.

Kevin said that the selected developer would demolish the existing buildings at the former Symmes Hospital Site. Kevin said that the current support structures in the hospital building would not allow for an open modern floor plan for an office building. Kevin was hopeful that a medical office building would be located near the present site of the nurses building.

Kevin said that the Summer St. re-construction project would begin during the summer of 2004 with a completion date of late 2005.

**Other Business:**

Jack said that the Board of Selectmen as a new member of the Disability Commission has approved Maureen Hilliare.

Kevin said that Thermo-Plastic application would be installed on the following crosswalks this year. Dundee Rd., Paul Revere Rd., Robbins Rd., Forest St., Quincy St., Varnum St., Lafayette St., Mill St., Lake St., Davis Rd., Town Hall Crossing, Lexington Line Crosswalk, and in front of the Lakota Bakery.

Barbara J. said that the audio signal at Park Ave has been out of order for the last three weeks. Barbara C. said that she would call Lt. McHugh at the Police Dept. about repairing this audio signal.

Paolo Marinelli said that the Cambridge City Council would be holding a Public Meeting in August or September regarding the pedestrian crossing at the Alewife Transit Station.

**Legislative Update:**

Barbara J. said that IDEA amendment has been passed allowing parents and attorneys representing disabled children to be sued for frivolous claims. Barbara said that this would seriously hurt special education.

**Adjournment:**

The meeting adjourned at 5:40 P.M.
